# Ahead of the Trend

*couture millinery for men & women*

Fedora, cloche, cap, chapeau—hats by any name are back and none more special than the timeless Ikasho creations of Cathy Shiao and Anika Lopes, two friends who met at the Parsons design school in Manhattan and who now design custom-made hats. You can see their unique designs on this seasons' *Gossip Girl*. Visit [ikasho.com](http://ikasho.com) for the full line for Fall 2011 or to place pre-orders for Spring 2012. The "Leo" in beaver is our personal fav for fall!
