## *Moleskine Creates a New Legend*

Moleskine Squared Notebook-large: perfect for sketching, note taking: in short—your life encapsulated! And now there is so much more from this iconic company. **Moleskine Artist Marketplace**, a new kind of e-commerce platform that allows fans and consumers to purchase one-of-a-kind, customized notebooks, journals and planners directly from artists. Also, a new line of complementary “tools” debuted in April—love them!
